Dear Ernie:

It was a pleasure to get your reception report on our proof of performance test the other day. We've had three or four reports on it, including two from New York.

Trust things are going well with you. We built a new house this spring and I'm looking forward to moving into my "plush" basement shack in a few more days. Have been pretty much inactive since March so it will be good to get back to the dials again.

Your QSL and coverage map are enclosed.

73,

Gerry L. Dexter
Program Director
